

Charleswood Garden Club Plant Auction (Set Price Sale)

Closes May 26, 2022

6:00 pm or when sold out

We would like to thank the generous donors who have made the Charleswood Garden Club Plant Auction possible.

Our wonderful members graciously donated most of these beautiful plants you will be able to purchase.

We have a small selection of items with a set-price and are for sale now.
To purchase any of these items you need to register for a bidder number. Please use the same bidder number for the set-price items and the auction plants.

If you wish to purchase any, send an email to info@charleswoodgc.ca
Put 'plant purchase' in the subject line.

In the email, state which item you want to purchase and how many you would like.
Quantities are limited so this will be on a first come first serve basis. If the items are still available, they will be set aside for you.

This presentation will be taken down when all the items have sold or Thursday evening at 6:00pm.
Following the live auction, you will receive an email with a link to a spreadsheet. Check the spreadsheet for your bidder number to see how much you owe and your pick-up location/time slot.
Pick-up for all set-price plants will be Saturday with the other auction plants.

The pictures in the set-price sale are based on the description of the items donated. The attached pictures are representation of the plants, not the actual plant. All information is provided in good faith.

30 L Premium Potting Soil

Red River Soils

18
